

Congratulations to the 2011 Joseph Leo Mackin, Jr. Building and Driving Our Future Scholarship Program Recipients!

The Mackin Family Foundation is proud to announce the winners of the 2011 Joseph Leo Mackin, Jr. Building and Driving Our Future Scholarship Program. Every year the board awards scholarships to family members of Interlock Industries subsidiary employees. The awards are granted to current students, returning students or students who are about to embark on their post high-school education. The board awarded a total of \$15,000.00 in scholarships to three outstanding students, all of which have distinction not only in their studies, but have also strived toward social responsibility and philanthropy. This year's scholarships were presented to Morgan Enright, Kelsey Traughber and Lauren VanWormer. On behalf of the entire organization, we congratulate our proud recipients.

Morgan Enright – daughter of Kent Enright, Territory Sales Manager, Metal Sales Manufacturing Corporation, Rock Island, Illinois. A second time recipient, Morgan is currently pursuing her studies in Communication Sciences and Disorders at the University of Wisconsin – Eau Claire. Morgan plans on pursuing speech-language pathology or a career as an audiologist once she has completed her studies.

Kelsey Traughber – step-daughter of Mike Walker, Director of Transportation, Metal Sales Manufacturing Corporation, Louisville, Kentucky. Kelsey is currently pursuing her bachelor's degree in social work and psychology at Spalding University.

In addition to her many academic achievements, is also a member and captain of Spalding University's women's soccer team. Upon completion of her education, Kelsey plans on pursuing a career as a family counselor.

Lauren VanWormer – daughter of Christopher VanWormer, General Manager, Metal Sales Manufacturing Corporation, Bay City, Michigan. During her high school career, Lauren was a member of the National Honor Society and the English Honor Society. As an entering freshman at the University of Michigan, Lauren plans to pursue a degree in Health Sciences.

Please join us in congratulating our three bright students in their quest for excellence in education. Each will be continuing the higher education journey in the upcoming fall semester.

Within the Interlock and Mackin family, we recognize how our employees contribute to our success and how education impacts our future. We strive to have a positive effect on the lives of this year's scholarship recipients as they plan for their futures and take advantage of the benefits of higher education. We wish them the best of luck as they embark on this new phase of their lives.

To apply for next year's scholarship, contact your Human Resource Manager for criteria and an application. The deadline for application is March 12, 2012. We look forward to assisting our Interlock family members in their pursuit for excellence in education, social responsibility and community involvement.
