

# Congratulations to the 2007 Joseph Leo Mackin, Jr. Building and Driving Our Future Scholarship Program Recipients!

The Mackin Family Foundation is proud to announce the winners of the 2007 Joseph Leo Mackin, Jr. Building and Driving Our Future Scholarship Program. The applications submitted this year were all excellent, which made a difficult decision to select the three students. The board unanimously decided to select four students to receive the merit scholarships of \$5,000.00 each. Annually, these scholarships are awarded to Interlock Industry subsidiary employee family members who are current students, returning students, or who are about to start their post-high school education. This year, scholarships were presented to: Cassandra Bates, Benisha Bradshaw, Laurana Snyder and Tamara Varon. On behalf of the entire organization, we congratulate our proud students.

**Cassandra Bates** – daughter of Revondia Bates, Customer Service Rep., Metal Sales Manufacturing Corporation, Jefferson, Ohio. She is also the younger sister of Courtney Bates who is a past recipient. Cassandra will be attending Johnson and Wales University in Rhode Island with a pursuit towards obtaining a Bachelor's Degree in the Culinary Arts program.

**Tamara Varon** – daughter of Ken Varon, Corporate Credit Manager, Metal Sales Manufacturing Corporation, Sellersburg, Indiana. This is the second year in a row that Tamara has received this award. Tamara will be attending the University of Louisville in Kentucky and will continue to focus her studies on Elementary Education.

**Laurana Snyder** – daughter of LeeAnn Snyder, CSR Manager, Metal Sales Manufacturing Corporation, Woodland, California. Laurana will be attending Yuba Community College in Woodland, California with an emphasis towards a Masters Degree in Forestry.

**Benisha Bradshaw** – daughter of Lisa Bradshaw, Data Entry, Louisville Transportation Company, Louisville, Kentucky. Benisha will be attending Western Kentucky University in Bowling Green, Kentucky, and will be focusing her studies in Political Science with her goal set on practicing family law.

Please join us in congratulating our four bright students in their quest for excellence in education. Each will be continuing her higher education journey in the upcoming fall semester.

Within Interlock and the Mackin family, we recognize how our employees contribute to our success and how education impacts our future. We hope to have a positive effect on the lives of this year's scholarship recipients as they plan for their own futures, take advantage of the benefits of higher education, develop life-long relationships and enjoy their experiences.

To apply for next year's scholarship, contact your Human Resource Manager for criteria and an application. Deadline for application is March 12, 2008. We look forward to assisting our Interlock family members next year in pursuit for excellence in education.
